List of supplies

- Notebook or sketchbook with blank pages (no lines) about 9 x 12 (Europe: A4);
- Pens and/or pencils;
- Colored pencils;
- Chalk pastels and/or oil pastels;
- Markers (felt markers);
- Scissors and glue stick;
- White glue (school glue) or mat acrylic medium;
- For collages: assorted magazines and papers, including decorative, silk, Japanese, handmade, tracing, tissue, wrapping, and newspaper.
- 1 or 2 paintbrushes (medium size);
- One watersoluble medium : watercolors, acrylics in small tubes or any watersoluble crayons.
- Compass and/or a circular object, such as a plate.

IMPORTANT : The basic material needed for this class should be quite simple: a notebook, various crayons and colors, scissors, glue and papers for collages. What is important is to have some variety in your supplies so you can have different ways of expressing different things. You can start by gathering what you have at home and see as the class unfolds if you want to add something to your material or not. You do not need to spend a lot on high quality art supplies, very often the student quality is fine. Be careful however with the very cheap stuff you get at the dollar store for instance, it is often more frustrating to use than anything.
